Dear Shareholder

Integrated Payment Technologies Limited invites you to an important shareholder update.

We would like to present to you our new product PayVu.

PayVu uses our global patented process to streamline SME payments and reconcile to the users accounting system.

All business payments including superannuation are catered for and it will be a new income stream for InPayTech.

Please join us for a presentation followed by light refreshments and drinks.

RSVP stating **Melbourne** or **Sydney** to info@inpaytech.com.au.
