Jake has within the last 3 years been an owner of a provider of material professional services to the Company's subsidiaries, the service provider being Oriel Technologies Pty Limited. Until such time as the Company is of a size that warrants the appointment of additional non-executive and independent directors, the Board is of the view that the absence of a majority of independent directors is not an impediment to its operations, shareholders or other stakeholders.</p>
2.5	<p>The chair of the board of a listed entity should be an independent director and, in particular, should not be the same person as the CEO of the entity.</p>	<p>The Company has not fully complied with this recommendation during the Relevant Period.</p> <p>The Chair of the Board is Don Sharp.
