About InPayTech

Integrated Payment Technologies Limited is an Australian financial technology business that has designed an innovative overlay capability with broad domestic and potential global applications across banking, wealth management, pensions and financial services.

This release contains forward-looking statements and information that are necessarily subject to risks, uncertainties and assumptions. Many factors could cause actual results, performance or achievements of the Company to be materially different from those expressed or implied in this release including, amongst others, changes in general economic and business conditions, regulatory environment, results of advertising and sales activities, competition, and the availability of resources. Should one or more of these risks or uncertainties materialise, or should underlying assumptions prove incorrect, actual results may vary materially from those described in this release. Except as required by law, the Company assumes no obligation to update or correct the information in this release. To the maximum extent permitted by law, the Company and its subsidiaries and officers do not make any representation or warranty as to the likelihood of fulfilment of any forward-looking statements and disclaim responsibility and liability for any forward-looking statements or other information in this release. This release should be read in conjunction with the Company's other ASX announcements and releases.
